

Bus service for Whaddon

Great news! From this summer the County Council propose to introduce a regular bus service to Whaddon on Mondays to Saturdays. This is after much pressure from the Parish Council following the Parish Plan survey.

The plan is to run a bus every 2 hours linking Whaddon with Royston via Tesco and the Station. In the other direction the bus will run to Bassingbourn, Litlington and The Mordens.

Buses will serve the stop at Ridgeway Close bus shelter and departures to Royston are likely to be *08:38, 10:12, 12:12, 14:12 and 16:12.*

Return buses are planned to leave Royston Bus Station at *09:10, 11:10, 13:10, 15:10 and 17:10.*

Any comments or suggestions about the new bus service should be made by 23 May to the Parish Clerk *by email* to whaddonpcclerk@yahoo.co.uk, *by phone* on 208450 or *by mail* to 134 Bridge Street.

There will be a full review of the bus service after 6 months and its continuation depends upon the use made of it.

Let's use it and not lose it!
