

# Coronavirus Community Response

With the new November Lockdown, please remember that Whaddon Parish Council is your local Coronavirus Community Response team. Our advice, support and medication delivery role will resume for the next month or so. Hopefully, most people will have a supply of medication to get through most of this period but if you are having any shopping difficulties, need advice or are unable to get your medication, please let one of us know.

**This may especially apply to those people who are judged to be 'clinically extremely vulnerable', who will soon be getting an advice letter from the NHS.**

If you do need support or advice, please contact one of your Parish Councillors as listed below; or email the Whaddon Parish Clerk – [whaddonparishcclerk@outlook.com](mailto:whaddonparishcclerk@outlook.com); or send an email to [coronavirus@whaddon.org](mailto:coronavirus@whaddon.org)

You can also pop requests and questions into the Parish Council post box on the side of the Village Hall, which will be checked every few days.

**Remember** that most of the local pharmacies will deliver your medication if you need regular supplies. Orchard Surgery, Well Pharmacy (Melbourn), Tesco, Boots, Lloyds and Bassingbourn Pharmacy all provide this service. Please contact your regular pharmacy or check on-line.

**The pharmacies are reporting that they are now very busy, so for the next two weeks, please only collect your medication if you really need to.**
