

WHADDON PARISH PLAN RECOMMENDATIONS

The following recommendations have been agreed by the Parish Council.

- 1 Highways. It is required to press for a reduced speed limit through the village and encourage regular speed checks.
- 2 Whaddon Gap/A1198. Request a traffic management scheme at this junction to reduce the danger at this increasingly busy junction.
- 3 Consider the creation of a bus lay by at the bus stop at Ridgeway Close. Ask Petersfield School governors to write to the Parish Council requesting a lay by to make the road at Ridgeway Close a lot safer.
- 4 Request 'visual aids' to be applied to the road at the North End of Bridge Street.
- 5 Improve the childrens' play area.
- 6 Continue to press for controls on Byway 22.
- 7 Endeavour to persuade the County Transport Authority to provide better public transport from the village to other towns
- 8 Examine the possibility of setting up a Community Support Enterprise.
- 9 Endeavour to have RADAR gates installed where appropriate
- 10 Prepare a Design Statement as a guide to future infill

NB

It was obvious from the meeting that the first four items should be top priority, however the other items have not been listed in any order of priority.
