## Theft of lead from St Mary's

Around the longest day this year the whole of the lead roof to the nave and side aisles at St Mary's was stolen. The theft of such a large area of lead would have required a highly organised gang, and is likely to have taken place over two or more nights. If you are aware of any suspicious traffic through the village, or lorries parked near the church, on or around the nights of 18<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup>, 21<sup>st</sup> or 22<sup>nd</sup> June please inform a member of the PCC so that we can pass the information on to the Police.

The PCC is now faced with the task of providing a new roof to St Mary's. This will not be an easy or cheap undertaking, especially as our insurance cover is specifically limited in respect of lead theft. We will be embarking a number of fund raising events over the coming months and hope that the community will once again show their support for maintaining a church in the village, and assist us in this process. If you have any ideas for fundraising please contact a member of the PCC.
