**HIDDEN GARDENS**

Despite the inclement weather, the Open Gardens, held on 24th June, raised £1590 which will go towards the restoration of the village hall. Thank you to all the garden owners - Anne & John Warrack, Malan & Michael Peyton, Jan & Steve Gibbs, Nick & Louise Shaw, Michael & Rita Monks, Peter & Jo Haselden, and Chris & Anne Rose. Also, thanks to our sponsors - Ace Aerials, Shire Tree Surgery, Bumpkins and Trulight Windows. A big thank you also to all the avid cake makers in the village, and to all those who turned out to support our cause.

Wendy

**POPPY APPEAL 2012**

It may seem a little early to mention this year’s Poppy Appeal but the next issue of the News will be with you just after the appeal comes to an end. We will be having a door to door village collection from Saturday 27 October until Saturday 10 November with Remembrance Sunday on 11 November. As usual, Ken Green will also have a collecting box in the golf clubhouse. Should anybody wish for a wooden remembrance cross, an enamel brooch or a car poppy please let me know on C 208236.

Last year the village raised £540.92 and perhaps we may increase that figure this year. Please give generously. MRM

WHADDON NEIGHBOURHOOD
WATCH

It has been another quiet quarter for the village with no reported crime. This is good news bearing in mind that residential crime often increases as people leave windows and doors open. A couple of incidents amply illustrate the range of fairly minor crimes afflicting the local area. One of the attractive half barrels of flowers at the war memorial in the centre of Melbourn was stolen in June (the rest are now chained together) and a lorry parked in a layby on the A1198 at Kneesworth had 600 litres of fuel drained while parked overnight.

The police have asked that a few of their current issues be highlighted to everybody: 1) in view of a number of shed burglaries in local villages they recommend the following actions to counter the problem: a) a lighting system that covers the area of the shed can deter criminals; b) most thieves gain entry by forcing off the lock - use a heavy-duty hasp and staple (also known as a pad bar) and secure with suitable coach bolts and locking nuts; c) prevent the thieves from window shopping by boarding the windows over on the inside or fit net curtains; d) fit a shed alarm to the door of your shed to warn of any attempted break in. 2) there is continued concern over the number of distraction burglaries, particularly on the elderly, that are being committed. The police emphasise how easily a bogus caller or callers can gain access through an unattended front door or unlocked back door and ask that the community look out for their elderly neighbours, be vigilant and report any suspicious behaviour. 3) as I write this piece the police are handling a rave at Hook’s Mill near Littlington. This involves both our County police and officers from Bedfordshire. As villagers know their own communities and what is outside the norm, if there is a suspicion that a rave may be being organized - entry to farm buildings, cropping of locks on gates, excessive numbers of vehicles in the area during the hours of darkness- please call immediately on 101 or 999 if you witness offences being committed. Finally, thank you to everybody who completed the contact details slip. We have made a good start in acquiring the data which must now be put into a database listing; the task is underway. MRM

Incident Reporting: Remember – dial 999 to report a crime actually happening or when lives are at risk and for a non-emergency matter call 101. If you report an incident to the police please let your neighbourhood watch coordinator know.

For Sale

Black Session Pro 5-piece Drum Kit with all hardware and 1 ride cymbal, 1 crash cymbal and 1 hi-hat. All in usable condition, but in need of a new base pedal, and 2 drums re-skimming on 1 side.

Best offer accepted, ring on: 012223 208356.

All proceeds will go towards Whaddon Village Hall Fund.

S106 Monies

As a result of the development of St Mary’s Close, the PC has a ring fenced amount of funds to be spent on improvements to the village facilities. It was agreed that the Village Hall Trust and other users of the recreation ground could apply for funds. Notices were also put around the village and on the website.

The next monthly open Parish Council meeting will be on Tuesday 4th September, at 7.30 pm in the Village Hall.

Whaddon Booklets

These booklets used to be given to new residents containing village history, maps and useful contact information. Most of the information is now on the website but in addition the first 5 pages of the booklet are now available in PDF format on the website.

Whaddon Village Hall and Recreation Ground Trust

Works on the fundraising and refurbishment continues. The windows have now been installed and this has made a huge difference to those holding events in the hall. Despite the weather the Open Gardens raised over £1500 through entry fees, sponsorship and cakes. We would like to thank all of you who opened your gardens, attended despite the rain, sponsored the event, donated cakes and plants and helped out at the event. We really appreciate the help and are getting closer to our target.

We have now split the repair work into two tranches and would really like to conduct the work for the first tranche in 2013, funds permitting. The first tranche will entail refurbishing the main body of the hall so that the flooring, heating and lighting are renewed so that more activities can be done in the hall. Approximate costs for the first half are around 150k sterling.

Andrew Buchanan has retired as a Trustee and we would like to thank him for his contribution. We are now looking for a new Trustee to fill the position. The role involves helping with fundraising and the running of the hall and REC. If anyone is interested then please speak to me or another member of the Trust.

We have had to stop the cars parking on the recreation ground due to bad weather to let the grass recover. It is looking much better but will leave it closed for a little while. We are trying to keep the cars off the road by asking them to park in the Golf Range.

Thank you again to everyone who has helped with Hall and REC fundraising and running. Jenna Lewis

ANTIOQUES FAIR

Orwell Village Hall
In aid of Milton Children’s Hospice
Sunday 23 September
10.00 am—4.00 pm
Admission £1
(Early entry 9.00 am—£2)
The last fair in April raised nearly £1200 for the Milton Children’s Hospice.
Whaddon Parish Council News—some items of news from our recent monthly meetings........

Your Parish Councillors
There have been several changes to the council over the last couple of months. Councillors Mr Chris Rose, Mr Phil Neale and Dr Nigel Strudwick have all decided to step down from the Parish Council. The Parish Council would like to thank all of them for their commitment and service to the village over the years. Dr Strudwick has also agreed to continue to support the Whaddon website.

At the August meeting, 3 new councillors were co-opted onto the Parish Council. So the Parish Council now comprises:
Mrs Malan Peyton – Chair, Mr Lee Ginger – Vice-Chair, Mrs Jenna Lewis, Mrs Kate French, Mr Henry Burgess, Professor Tony Milton, Mr Randall Scott.

Speed Limit
Meetings have been held with Ms K Lund from CCC about the options for reducing the speed limit through the village. The likely costs are £4,000-£5,000. CCC did advise that it would be unrealistic to expect a significant speed reduction in Meldreth Road without supporting physical changes to force motorists to slow down. The first step was to survey the parishioners for their views and a survey was issued to all households in May. 63% of households responded to the survey with 90% in favour of reducing the speed limit to 30mph throughout the whole village. The PC would like to thank Mr Mike Monks for arranging the survey and collating the results. The PC added their support to the proposal.

Bridge Street Safety Signage – agreement of final scheme and expenditure
The signage proposals and costs were discussed and it was agreed to purchase three x 3.5m posts, three x ‘20’s plenty’ signs and two x ‘SLOW’ signs with a diagram of children playing, plus appropriate fixings. The positions on the road for ‘SLOW’ to be painted on the road surface, at the top of Bridge Street were also agreed.

PPP3 expenditure proposals – consideration of schemes for grant application
No specific proposals were suggested for 2012/13 after the posts on the bridge on Footpath 9 were investigated and deemed robust enough without further action. A quote had been received from Mr W Knight for £200 to tidy the hedge around Whaddon Gap car park and part of the funds in hand will be used for this work.

Whaddon Village Hall and Recreation Ground Trust (WVHRGT)
Big Lottery Fund Application – WVHRGT are now in a position to finalise the application. A background information booklet was being prepared that could be used as the basis for all future grant applications.

SCDC Grant – WVHRGT had started a dialogue with SCDC about drawing down the grant. SCDC had requested further information and project plan details. WVHRGT had applied for £2,460 to part-finance the replacement of the remaining windows in the VH. The grant application for £2,460 was approved (£2,000 from the 2012/13 precept and £460 from under spent funds re the purchase of the front window in 2011/12).

Bassingbourn Barracks
The current Army Training Regiment will be leaving in the middle of the year. As yet
As we have recently celebrated the Diamond Jubilee on the Recreation Ground and in the Village Hall, it might be appropriate to remind ourselves how history has changed this particular spot in the centre of the village.

The Village Hall was built initially in 1875 to provide a school to replace the one which operated in the School House opposite and it remained as a school until its closure in 1962. In 1924 the senior pupils had transferred to Melbourn and Bassingbourn but the juniors continued until 1962 when they were transferred to Orwell. The parish council purchased the school to provide a Village Hall which has had many additions since 1962 to bring it up to its present standard such as a kitchen, toilets, a new floor, new heating, a covered extension and access for cars by removing the front fence.

During the 1950s discussions took place with a view to providing a Recreation Ground adjacent to the Village Hall on what had been a meadow with barns (called Church Meadow or Glebe Meadow). The Playing Fields Committee was formed and worked hard and by 1959 nearly £500 had been raised by means of regular Whist Drives etc, enough to purchase the field. It then needed levelling and seeding. In September 1962 the recreation ground was officially opened by the then Chairman of the Parish Council, Jim Law, and Lord Luke the Chairman of the National Playing Fields Association. The breakdown of costs was as follows:-

- Purchase of land £409 9s 6d: Level and seeding £511: Gang Mower £171
- Fencing and gates £55 15s 6d: Compensation £6: Cutting & Rolling £11 6s:
- Insurance £3 6s 3d: Sundries £15 8s 9d: Climbing Frame £33

**Total £1249 3s 9d**

Money raised by villagers £478 15s 8d:
Grants were obtained from:-
- Ministry of Education £118: Playing Fields Association £290: CCC & RDC £411

When the school was closed in 1962 and negotiations had taken place to buy the school and use it as a Village Hall the Playing Field Committee was no longer needed and it amalgamated with the Village Hall Committee contributing the £48 11s 11d remaining from its funds.

In 1964, a slide and later swings were provided for the children and throughout the intervening years the equipment on the recreation ground was regularly inspected and maintained and any necessary repairs and safety modifications carried out. For example in 1988 the original slide was deemed too high and was later redesigned and enhanced by the addition of wider steps and a handrail and was mounted on the grassy hillock which still exists. The swings for smaller children had guard rails fitted. In 2009 the present splendid equipment was provided.

**Funding Available for Public Open Space and Indoor Community Facility Space**

Whaddon Parish Council is currently holding funds of £24,456 to be used to provide or maintain outdoor sports play space and to provide indoor Community Facility Space. We are inviting Whaddon clubs, societies and organisations to apply for funding for projects or equipment that meet the relevant South Cambridgeshire District Council criteria (see below). We would also like to hear from groups of Whaddon residents who have ideas on how they would like to see this money spent. We will consider applications for any financial amount up to the maximum available for each category.

**Public Open Space (Total fund £20,942)**

**Examples of suitable uses:**

- Purchase of land or facilities
- Construction of sports pitches, facilities and/or equipment for play or sport
- Improvement or upgrading of sports pitches, facilities and/or equipment for play or sport
- New grass/artificial turf pitches, courts and greens
- Teenager play facilities e.g. ball courts and facilities for wheeled sports
- Car and cycle parking and access routes (where no other satisfactory alternative provision exists)
- Outdoor seating, lighting and play equipment
- Improvements to landscaping, planting or layout of open spaces
- Improvements to pitch quality, fencing or safety surfacing

**Community Facilities (Total fund £3,514)**

**Examples of suitable uses:**

- Increasing the capacity of Community Buildings e.g. improving layout, building extensions, providing new buildings
- Improving the quality of existing facilities
- Introducing sustainable initiatives in existing facilities e.g. glazing, insulation, heating and lighting
- Improving access and facilities for disabled users
- Improving parking provision

**How to apply**

Expressions of interest (by mail or email) should be sent to the Clerk saying who you are, what fund you are applying for, how you would use the funds, how much you require and how the village would benefit. Deadline for applications is **31st October 2012**

The Parish Council will discuss all applications received and may contact you again at a later date for further information.

**Any Questions?**

Contact the Clerk: Mrs Gabby van Poortvliet, 134 Bridge Street, Whaddon, SG8 5SN. Email whaddonpcclerk@yahoo.co.uk Tel 01223 208450
Cambridgeshire District Council in conjunction with its Tenant Participation Group (TPG) is running 3 tenant led Open Days in the Autumn of 2012.

If you are a TENANT or LEASEHOLDER of SOUTH CAMBS DISTRICT COUNCIL please come along and meet your local housing team, local Councillors, and get advice on Housing, Benefits, Employment, young people’s initiatives, ageing well initiatives, plus enjoy stands from contractors such as Mears, Morrisons and Mitie.

Get involved in your housing service and help us to help you.
After all it’s Your Home – Your Service so come along and share your views with your fellow tenants and your landlord

FREE RAFFLE entry to all attendees.
Juggling and circus skills and bouncy castle for the youngsters amongst us!

DATES FOR YOUR DIARY
Saturday 8th September: 12 noon – 4pm at Impington Village College
Saturday 29th September: 12 noon -4pm at Melbourn Village College
Saturday 20th October: 12 noon – 4pm at Sawston Village College

WHADDON READING ROOM
Trustees:- REV. J.G. EAMES, H. PEARSE
W. T. NASH, A. WOODCOCK

RULES
1. Room to be opened daily from 6p.m.to 10p.m.
2. No person under 14 years of age to be admitted as a member.
3. Any game, as agreed by the trustees, may be played.
4. No person to swear, or enter the room intoxicated, and no intoxicating liquors will be allowed in the room.
5. Smoking allowed to all over 16 years of age.
6. When leaving the room, to go away quietly.
7. Entrance fee 6d., and 6d. on the 1st. of December, and 6d. on the 1st. of January.
8. Any members may bring a friend.
9. Members are requested to pack up the cards and games when they have finished playing.

1976 pink chestnut trees were planted along Church Street next to the recreation ground. They were purchased by contributions from the Whaddonians (Over 60s), the Women’s Institute, the Parish Church, the Methodist Church and individual donations. Because they had become diseased, these trees were each replaced in March 2009 by Thuringiaca Hybrid Trees, tolerant to all conditions.

A Hawthorn tree was planted to commemorate Agnes Woodcock (1926-1985), a longstanding member of the Village Hall Committee. The two seats are to commemorate the Silver Jubilee in 1977, and George Coningsby (1911-1995) a well-known local farmer.

Until the early 1980s adjacent to the hall was the Church Room, Parish Room, Club Room or Reading Room. (It seems to have had all these names at one time or another). It was a meeting place for village groups and was built on land donated by Viscount Clifden, who officially opened it in 1909. Money for its erection was provided by subscription when a total of £130 5s was raised. Because it was no longer used, it was eventually demolished and a detached house took its place in 1982.

Original red chestnut trees planted in 1976

The original slide which cost £150 4s 6d.
Deep timber sides extra £16 13s 6d

S&J Ralls August 2012
Runs scored 695, runs conceded 779; Wickets taken 58, wickets conceded 54

Played 7, won 3, lost 4, rained off 1, matches to play 3

WCC vs WCC 9th September
(accompanied by Bangladeshi Barbecue Fundraiser)
Hare Street home 16th September.

The club goes from strength to strength, with a pool of 19 players to choose from, all but one coming from the village (the exception being our rather excellent find of the season Amran Hussin from the Yuva restaurant).

First up was Sandon Strolllers at home in late April: Mark Newberry getting WCC off to a solid start of 27, the habitual collapse including the obligatory Peter Nussey doughnut, before Nigel Kirk Cook extruding a fine fighting finish with 31, then inexplicably running out of partners. 92 all out after only 25 overs. Sandon, after a fine lunch featuring the fantabulous Chris Rose sausage rolls, had all the time in the world, but they struggled at first with some tight bowling by Jason Scott. The wickets started to fall, particularly to Roger Huffer who took 3 for 29, but just too slowly; and the runs accumulated all too quickly. Sandon surpassed WCC with 10 overs to spare for the loss of 6 wickets. Attempts at poisoning the opposition with homebrew just not good enough.

Revenge was called for, and what better than our first ever opponents from the first WCC season – Steeple Morden, at home in early May. This time the opposition were put into bat on a typical late Spring day: permanent spitting rain. Bowled out in the 29th over for 128, WCC scented a repeat victory. Highlight of the bowling was Peter Nussey, earning not just his first ever WCC wicket but three of them, and all for a paltry 22 runs. This was particularly important as his son Tom had just taken a wicket prior to his first... and you can’t be having that. Confidence however was of the typical English variety: enthusiastic and misplaced. A good opening stand from Mark Yuvaberry and Ben Gatting Green was cruelly deluding, only Roger van Poortvliet posting a decent follow-up 24, and young Edward Haselden grimly hanging on while all fell around him. Alas the WCC were dismissed for 93 in the 29th over. So two losses out of two, not an auspicious start, the misery compounded by the two broken finger bones suffered during the match (Newberry and Nussey).

Next up were the Stowmarket Wanderers, a bunch of handy-looking Suffolk farmers, for two short matches (to give us more chance of a win). The sun was out, the beer was flowing and the results were...mixed, but gloriously mixed. A win and a loss (the loss was not really a loss, just a deliberate ploy to keep them on the calendar for next year). The first match was the real one (because we won): WCC put into bat posted a creditable 117-8 after the allotted 20 overs, a superb opening stand between Frank Huffer 24 and the previously never-present Peter Baker with a season-topping 38. Stowmarket got very close with their nail-biting reply, finally being bowled out for 106, the wickets being shared amongst all the WCC bowlers. The re-match we don’t need to dwell on, do we really: Stowmarket reaching 93 for 6 after 15 overs, WCC started very brightly with Amran Hussin scoring a quick-fire 48, leaving WCC needing a mere handful in the final overs, but alas falling just short, at 82 for 2.

Hare Street & the Hormeads in mid-June was the first away match, on a pitch even narrower than our own. Some very strong batting by the opposition in the first part of the innings, at 130-2 after 20 overs, was then severely curtailed by the WCC attack in the second part. Cap’n Cook maintained that if we could keep them below 200 we had a fighting chance. Duly Cap’n Cook himself obliged, conceding only 19 runs off his 8 overs, taking 2 wickets. A rather painful but much lauded one-handed catch by Peter Legsie Haselden wrapped up the innings, restricting them to a “mere” 195 for 6. Confidence flowed once more in the WCC dressing room, so much so that it was considered a fine idea to reverse the batting order, to ensure everyone got a bat. When the WCC reached the dizzy heights of zero runs for 5 wickets, Cap’n Cook sent himself on, scored an unbeaten 19 whilst all fell around him. All out for 54 was not the expected or desired result. But everyone did get a bat.

Lack of space dictates that the full gripping report on the next two matches might be included in the next newsletter. Suffice to say that Ernst & Young were soundly beaten, with WCC being so generous as to allow them to bat twice, reaching the unusual score of 147 for 15. Then the Independent newspaper, that so narrowly beat us last year, were similarly sent packing, all out for 91 after only 22 overs, reached with consummate ease by WCC after only 21 overs for the loss of 4 wickets.

A word of thanks for our indefatigable scorers, Helen Strudwick and Karen Coningsby; honourable mention for Simon Pascoe who has finally managed to find the time to play away from his habitual marathons; for the ever-present Jason Scott; for Will Burchett for letting us see what it’s like when his son Finn outscores him by a factor of 5; and for elder citizen Nigel Strudwick for always being there to practice with the youngsters, even though he seems to think that Memphis Tennessee is more important than the WCC.

Finances: Funds for the club are short, and therefore we will be organizing a fund-raising Bangladeshi barbecue courtesy of Yuva on the 9th September, after the intra-village afternoon match. All are welcome to participate, particularly the children. We are looking for a full 22 just from the village. So get out those whites, spikes and boxes, and get along to the Rec. 2pm match start, food at around 6pm (probably before). Information about tickets will be forthcoming (if we manage to get that organised). All those interested in taking part/contributing, please send an e-mail to cricket@whaddon.org. It leaves me only to say that all spectators are warmly welcomed to all our matches, and usually you can scrounge a free tea (I must stress the excellence of the sausage rolls and of course the homebrew).
Whaddon Cricket Club - Second Season

Played 7, won 3, lost 4, rained off 1, matches to play 3
Runs scored 695, runs conceded 779; Wickets taken 58, wickets conceded 54
Next matches: WCC vs WCC 9th September
(accompanied by Bangladeshi Barbecue Fundraiser)
Hare Street home 16th September.

The club goes from strength to strength, with a pool of 19 players to choose from, all but one coming from the village (the exception being our rather excellent find of the season Amran Hussin from the Yuya restaurant).

First up was Sandon Strollers at home in late April: Mark Newberry getting WCC off to a solid start of 27, the habitual collapse including the obligatory Peter Nussey doughnut, before Nigel Kirk Cook extruding a fine fighting finish with 31, then inexplicably running out of partners. 92 all out after only 25 overs. Sandon, after a fine lunch featuring the fantabulous Chris Rose sausage rolls, had all the time in the world, but they struggled at first with some tight bowling by Jason Scott. The wickets started to fall, particularly to Roger Huffer who took 3 for 29, but just too slowly; and the runs accumulated all too quickly. Sandon surpassed WCC with 10 overs to spare for the loss of 6 wickets. Attempts at poisoning the opposition with homebrew just not good enough.

Revenge was called for, and what better than our first ever opponents from the first WCC season – Steeple Morden, at home in early May. This time the opposition were put into bat on a typical late Spring day: permanent spitting rain. Bowled out in the 29th over for 128, WCC scented a repeat victory. Highlight of the bowling was Peter Nussey, earning not just his first ever WCC wicket but three of them, and all for a paltry 22 runs. This was particularly important as his son Tom had just taken a wicket prior to his first… and you can’t be having that. Confidence however was of the typical English variety: enthusiastic and misplaced. A good opening stand from Mark Yuvarberry and Ben Gatting Green was cruelly deluding, only Roger van Poortvliet posting a decent follow-up 24, and young Edward Haselden grimly hanging on while all fell around him. Alas the WCC were dismissed for 93 in the 29th over. So two losses out of two, not an auspicious start, the misery compounded by the two broken finger bones suffered during the match (Newberry and Nussey).

Next up were the Stowmarket Wanderers, a bunch of handy-looking Suffolk farmers, for two short matches (to give us more chance of a win). The sun was out, the beer was flowing and the results were...mixed, but gloriously mixed. A win and a loss (the loss was not really a loss, just a deliberate ploy to keep them on the calendar for next year). The first match was the real one (because we won): WCC put into bat posted a creditable 117-8 after the allotted 20 overs, a superb opening stand between Frank Huffer 24 and the previously never-present Peter Baker with a season-topping 38. Stowmarket got very close with their nail-biting reply, finally being bowled out for 106, the wickets being shared amongst all the WCC bowlers. The re-match we don’t need to dwell on, do we really: Stowmarket reaching 93 for 6 after 15 overs, WCC started very brightly with Amran Hussin scoring a quick-fire 48, leaving WCC needing a mere handful in the final overs, but alas falling just short, at 82 for 2.

Hare Street & the Horneads in mid-June was the first away match, on a pitch even narrower than our own. Some very strong batting by the opposition in the first part of the innings, at 130-2 after 20 overs, was then severely curtailed by the WCC attack in the second part. Cap’n Cook maintained that if we could keep them below 200 we had a fighting chance. Duly Cap’n Cook himself obliged, conceding only 19 runs off his 8 overs, taking 2 wickets. A rather painful but much lauded one-handed catch by Peter Legside Haselden wrapped up the innings, restricting them to a “mere” 195 for 6. Confidence flowed once more in the WCC dressing room, so much so that it was considered a fine idea to reverse the batting order, to ensure everyone got a bat. When the WCC reached the dizzy heights of zero runs for 5 wickets, Cap’n Cook sent himself on, scored an unbeaten 19 whilst all fell around him. All out for 54 was not the expected or desired result. But everyone did get a bat.

Lack of space dictates that the full gripping report on the next two matches might be included in the next newsletter. Suffice to say that Ernst & Young were soundly beaten, with WCC being so generous as to allow them to bat twice, reaching the unusual score of 147 for 15. Then the Independent newspaper, that so narrowly beat us last year, were similarly sent packing, all out for 91 after only 22 overs, reached with consummate ease by WCC after only 21 overs for the loss of 4 wickets.

A word of thanks for our indefatigable scorers, Helen Strudwick and Karen Coningsby; honourable mention for Simon Pascoe who has finally managed to find the time to play away from his habitual marathons; for the ever-present Jason Scott; for Will Burchett for letting us see what it’s like when his son Finn outscores him by a factor of 5; and for elder citizen Nigel Strudwick for always being there to practice with the youngsters, even though he seems to think that Memphis Tennessee is more important than the WCC.

Cambridgeshire District Council in conjunction with its Tenant Participation Group (TPG) is running 3 tenant led Open Days in the Autumn of 2012.

If you are a TENANT or LEASEHOLDER of SOUTH CAMBS DISTRICT COUNCIL please come along and meet your local housing team, local Councillors, and get advice on Housing, Benefits, Employment, young people’s initiatives, ageing well initiatives, plus enjoy stands from contractors such as MEARLS, Morrisons and Mitie.

Get involved in your housing service and help us to help you.

After all it’s **Your Home – Your Service** so come along and share your views with your fellow tenants and your landlord

**FREE RAFFLE** entry to all attendees.

Juggling and circus skills and bouncy castle for the youngsters amongst us!

**DATES FOR YOUR DIARY**

Saturday 8th September: 12 noon – 4pm at Impington Village College
Saturday 29th September: 12 noon -4pm at Melbourn Village College
Saturday 20th October: 12 noon – 4pm at Sawston Village College

---

**TENANT LED OPEN DAYS 2012**

The original slide which cost £150 4s 6d.
Deep timber sides extra £16 13s 6d

In 1976 pink chestnut trees were planted along Church Street next to the recreation ground. They were purchased by contributions from the Whaddonians (Over 60s), the Women’s Institute, the Parish Church, the Methodist Church and individual donations. Because they had become diseased, these trees were each replaced in March 2009 by Thuringiaca Hybrid Trees, tolerant to all conditions.

A Hawthorn tree was planted to commemorate Agnes Woodcock (1926-1985), a longstanding member of the Village Hall Committee. The two seats are to commemorate the Silver Jubilee in 1977, and George Coningsby (1911-1995) a well-known local farmer.

Around the Village Hall

As we have recently celebrated the Diamond Jubilee on the Recreation Ground and in the Village Hall, it might be appropriate to remind ourselves how history has changed this particular spot in the centre of the village.

The Village Hall was built initially in 1875 to provide a school to replace the one which operated in the School House opposite and it remained as a school until its closure in 1962. In 1924 the senior pupils had transferred to Melbourn and Bassingbourn but the juniors continued until 1962 when they were transferred to Orwell. The parish council purchased the school to provide a Village Hall which has had many additions since 1962 to bring it up to its present standard such as a kitchen, toilets, a new floor, new heating, a covered extension and access for cars by removing the front fence.

During the 1950s discussions took place with a view to providing a Recreation Ground adjacent to the Village Hall on what had been a meadow with barns (called Church Meadow or Glebe Meadow). The Playing Fields Committee was formed and worked hard and by 1959 nearly £500 had been raised by means of regular Whist Drives etc.

It then needed levelling and seeding. In September 1962 the recreation ground was officially opened by the then Chairman of the Parish Council, Jim Law, and Lord Luke the Chairman of the National Playing Fields Association. The breakdown of costs was as follows:

- Purchase of land £409 9s 6d: Level and seeding £511: Gang Mower £171
- Fencing and gates £55 15s 6d: Compensation £6: Cutting & Rolling £11 6s
- Insurance £3 6s 3d: Sundries £15 8s 9d: Climbing Frame £33

Total £1249 3s 9d

Money raised by villagers £478 15s. 8d: Grants were obtained from:-
- Ministry of Education £118: Playing Fields Association £290: CCC & RDC £411

Total £1297 15s 8d

When the school was closed in 1962 and negotiations had taken place to buy the school and use it as a Village Hall the Playing Field Committee was no longer needed and it amalgamated with the Village Hall Committee contributing the £48 11s 11d remaining from its funds.

In 1964, a slide and later swings were provided for the children and throughout the intervening years the equipment on the recreation ground was regularly inspected and maintained and any necessary repairs and safety modifications carried out. For example in 1988 the original slide was deemed too high and was later redesigned and enhanced by the addition of wider steps and a handrail and was mounted on the grassy hillock which still exists. The swings for smaller children had guard rails fitted. In 2009 the present splendid equipment was provided.

Funding Available for Public Open Space and Indoor Community Facility Space

Whaddon Parish Council is currently holding funds of £24,456 to be used to provide or maintain outdoor sports play space and to provide indoor Community Facility Space. We are inviting Whaddon clubs, societies and organisations to apply for funding for projects or equipment that meet the relevant South Cambridgeshire District Council criteria (see below). We would also like to hear from groups of Whaddon residents who have ideas on how they would like to see this money spent. We will consider applications for any financial amount up to the maximum available for each category.

Public Open Space (Total fund £20,942)

Examples of suitable uses:
- Purchase of land or facilities
- Construction of sports pitches, facilities and/or equipment for play or sport
- Improvement or upgrading of sports pitches, facilities and/or equipment for play or sport
- New grass/artificial turf pitches, courts and greens
- Teenager play facilities e.g. ball courts and facilities for wheeled sports
- Car and cycle parking and access routes (where no other satisfactory alternative provision exists)
- Outdoor seating, lighting and play equipment
- Improvements to landscaping, planting or layout of open spaces
- Improvements to pitch quality, fencing or safety surfacing

Community Facilities (Total fund £3,514)

Examples of suitable uses:
- Increasing the capacity of Community Buildings e.g. improving layout, building extensions, providing new buildings
- Improving the quality of existing facilities
- Introducing sustainable initiatives in existing facilities e.g. glazing, insulation, heating and lighting
- Improving access and facilities for disabled users
- Improving parking provision

How to apply

Expressions of interest (by mail or email) should be sent to the Clerk saying who you are, what fund you are applying for, how you would use the funds, how much you require and how the village would benefit. Deadline for applications is 31st October 2012.

The Parish Council will discuss all applications received and may contact you again at a later date for further information.

Any Questions?

Contact the Clerk: Mrs Gabby van Poortvliet, 134 Bridge Street, Whaddon, SG8 5SN. Email whaddonpcclerk@yahoo.co.uk Tel 01223 208450
Whaddon Parish Council News—some items of news from our recent monthly meetings……..

Your Parish Councillors
There have been several changes to the council over the last couple of months. Councillors Mr Chris Rose, Mr Phil Neale and Dr Nigel Strudwick have all decided to step down from the Parish Council. The Parish Council would like to thank all of them for their commitment and service to the village over the years. Dr Strudwick has also agreed to continue to support the Whaddon website.

At the August meeting, 3 new councillors were co-opted onto the Parish Council. So the Parish Council now comprises:
Mrs Malan Peyton – Chair, Mr Lee Ginger – Vice-Chair, Mrs Jenna Lewis, Mrs Kate French, Mr Henry Burgess, Professor Tony Milton, Mr Randall Scott.

Speed Limit
Meetings have been held with Ms K Lund from CCC about the options for reducing the speed limit through the village. The likely costs are £4,000-£5,000. CCC did advise that it would be unrealistic to expect a significant speed reduction in Meldreth Road without supporting physical changes to force motorists to slow down. The first step was to survey the parishioners for their views and a survey was issued to all households in May. 63% of households responded to the survey with 90% in favour of reducing the speed limit to 30mph throughout the whole village. The PC would like to thank Mr Mike Monks for arranging the survey and collating the results. The PC added their support to the proposal.

Bridge Street Safety Signage – agreement of final scheme and expenditure
The signage proposals and costs were discussed and it was agreed to purchase three x 3.5m posts, three x ‘20’s plenty’ signs and two x ‘SLOW’ signs with a diagram of children playing, plus appropriate fixings. The positions on the road for ‘SLOW’ to be painted on the road surface, at the top of Bridge Street were also agreed.

PPP3 expenditure proposals – consideration of schemes for grant application
No specific proposals were suggested for 2012/13 after the posts on the bridge on Footpath 9 were investigated and deemed robust enough without further action. A quote had been received from Mr W Knight for £200 to tidy the hedge around Whaddon Gap car park and part of the funds in hand will be used for this work.

Whaddon Village Hall and Recreation Ground Trust (WVHRGT)
Big Lottery Fund Application – WVHRGT are now in a position to finalise the application. A background information booklet was being prepared that could be used as the basis for all future grant applications.

SCDC Grant – WVHRGT had started a dialogue with SCDC about drawing down the grant. SCDC had requested further information and project plan details.

WVHT had applied for £2,460 to part-finance the replacement of the remaining windows in the VH. The grant application for £2,460 was approved (€2,000 from the 2012/13 precept and £460 from under spent funds re the purchase of the front window in 2011/12).

Bassingbourn Barracks
The current Army Training Regiment will be leaving in the middle of the year. As yet no specific proposals were suggested for consideration of schemes for grant applications.

Harvest Festival
30th September at 3.00 pm
(No joint service with Bassingbourn this month)
Come and decorate the church any day during the week.
The church will be open as someone will be doing the flower arrangements.
Bring your vegetables or flowers.

Calling all parents - Bridge Street Safety - Reminder
A concern has been raised by several villagers about the children playing in the road down Bridge Street. It is wonderful that our children are growing up in a neighborhood where they can go out and play with their friends in relative safety but it is still important that they are aware of the dangers of traffic. Not all cars that come down Bridge Street are driven by residents and therefore they will not be expecting to find children in the road. In particular, concern has been raised about children walking in the middle of the road at the blind corner at the top of Bridge Street and those that cycle on the wrong side of the road. Residents will not always see a cyclist on the wrong side of the road when pulling out of their driveways. The Parish Council are investing in signs to warn motorists of the dangers of children in the road but more importantly we need to remind our children about their own safety.
Thanks
Kate

BRITISH RED CROSS
Thank you for supporting Red Cross Week. I am delighted to tell you that your efforts raised £147.11 to help vulnerable people in crisis.
Iris Green
It has been another quiet quarter for the village with no reported crime. This is good news bearing in mind that residential crime often increases as people leave windows and doors open. A couple of incidents amply illustrate the range of fairly minor crimes afflicting the local area. One of the attractive half barrels of flowers at the war memorial in the centre of Melbourn was stolen in June (the rest are now chained together) and a lorry parked in a layby on the A1198 at Kneesworth had 600 litres of fuel drained while parked overnight.

The police have asked that a few of their current issues be highlighted to everybody: 1) in view of a number of shed burglaries in local villages they recommend the following actions to counter the problem: a) a lighting system that covers the area of the shed can deter criminals; b) most thieves gain entry by forcing off the lock - use a heavy-duty hasp and staple (also known as a pad bar) and secure with suitable coach bolts and locking nuts; c) prevent the thieves from window shopping by boarding the windows over on the inside or fit net curtains; d) fit a shed alarm to the door of your shed to warn of any attempted break in. 2) there is continued concern over the number of distraction burglaries, particularly on the elderly, that are being committed. The police emphasise how easily a bogus caller or callers can gain access through an unattended front door or unlocked back door and ask that the community look out for their elderly neighbours, be vigilant and report any suspicious behaviour. 3) as I write this piece the police are handling a rave at Hook’s Mill near Litlington. This involves both our County police and officers from Bedfordshire. As villagers know their own communities and what is outside the norm, if there is a suspicion that a rave may be being organized - entry to farm buildings, cropping of locks on gates, excessive numbers of vehicles in the area during the hours of darkness- please call immediately on 101 or 999 if you witness offences being committed.

Finally, thank you to everybody who completed the contact details slip. We have made a good start in acquiring the data which must now be put into a database listing; the task is underway.

M RM

**Incident Reporting: Remember – dial 999 to report a crime actually happening or when lives are at risk and for a non-emergency matter call 101. If you report an incident to the police please let your neighbourhood watch coordinator know.**

**For Sale**

Black Session Pro 5-piece Drum Kit with all hardware and 1 ride cymbal, 1 crash cymbal and 1 hi-hat. All in usable condition, but in need of a new base pedal, and 2 drums re-skinning on 1 side.

Best offer accepted, ring on: 012223 208356.

All proceeds will go towards Whaddon Village Hall Fund.
Royston Model Railway

The Royston & District Model Railway Club’s 26th Annual Exhibition will be held this year at our new venue of Bassingbourn Village College on Saturday the 17th November 2012.

The exhibition will be open from 10:30 am until 5 pm.

Some 25 Layouts and 20 Trade Stands / Modelling Demonstrators will be present.

Tea, Coffee and light refreshments (including cakes, hot bacon sandwiches & Burgers/Sausage rolls) will be available.

Miniature train rides by members of the Royston & District Model Engineering Society on their outside track (Weather permitting!).

Admission £4.00 per Adult and accompanied children are free.

Please visit our web site www.roystondmrc.co.uk for further/updated information.

POPPIE APPEAL 2012

It may seem a little early to mention this year’s Poppy Appeal but the next issue of the News will be with you just after the appeal comes to an end. We will be having a door to door village collection from Saturday 27 October until Saturday 10 November with Remembrance Sunday on 11 November. As usual, Ken Green will also have a collecting box in the golf clubhouse. Should anybody wish for a wooden remembrance cross, an enamel brooch or a car poppy please let me know on 01223 208236.

Last year the village raised £540.92 and perhaps we may increase that figure this year. Please give generously. MRM

HIDDEN GARDENS

Despite the inclement weather, the Open Gardens, held on 24th June, raised £1590 which will go towards the restoration of the village hall. Thank you to all the garden owners - Anne & John Warrack, Malan & Michael Peyton, Jan & Steve Gibbs, Nick & Louise Shaw, Michael & Rita Monks, Peter & Jo Haselden, and Chris & Anne Rose. Also, thanks to our sponsors - Ace Aerials, Shire Tree Surgery, Bumpkins and Trulight Windows. A big thank you also to all the avid cake makers in the village, and to all those who turned out to support our cause.

POPPY APPEAL 2012

It may seem a little early to mention this year’s Poppy Appeal but the next issue of the News will be with you just after the appeal comes to an end. We will be having a door to door village collection from Saturday 27 October until Saturday 10 November with Remembrance Sunday on 11 November. As usual, Ken Green will also have a collecting box in the golf clubhouse. Should anybody wish for a wooden remembrance cross, an enamel brooch or a car poppy please let me know on C 208236.

Last year the village raised £540.92 and perhaps we may increase that figure this year. Please give generously. MRM
