Lyndsay Gardiner               | Police Community Support Officer (PCSO) |
Chimney Fire Safety:
- Sweep your chimney at least once a year and get brickwork inspected, especially the chimney breast and roof space.
- Do not bank fires too high or overload the grate, and remember to let them burn down well and check the hearth before going to bed.
- Use a fire or spark guard to prevent accidental fires.
- Do not place objects on or over the mantle-piece which may cause you to stand too close to the fire to reach or use them.
- Burn only suitable fuels and avoid burning resinous woods as soot builds up quickly.

Above all, ensure you have a working smoke alarm fitted on each floor or your home and a carbon monoxide alarm installed.

Christmas Fire Safety:
The fire service has these messages to make sure your festive cheer doesn’t go up in smoke:
- Kitchens are a fire hotspot, so take care while cooking festive fancies. Never leave cooking unattended and turn off appliances when not in use.
- Switch off fairy lights and unplug them before you go to bed or leave the house. Make sure they conform to the British Standard and never overload plug sockets.
- Be careful when drinking alcohol while smoking or cooking. Finally, make sure you have a working smoke alarm which is correctly fitted and works. And NEVER take the batteries out to power presents!

Your Library Access Point for Whaddon is at

Bassingbourn Book Café
The Limes Community Facility, High Street, Bassingbourn
Books, computers, tea and coffee, cake, free Wi-Fi and much more

Open
Mondays 3-5 pm
Thursdays 2-4:30 pm
Saturdays 10 am - Noon

Poppy Appeal – 2016

This year’s British Legion Poppy Appeal in the village included a doorstep collection by Janet Leach, Henry Burgess and Rita Monks and a poppy tray in the golf centre. There was a collection at the Remembrance Sunday service in St Mary’s Church where, on behalf of the village children, a posy was laid by Emily and Ruby Rogger and for the village a wreath by Councillor Randall Scott.

Everybody was very generous and our total collection came to £569.90 which is a little more than last year and is more than £1 for every resident. I am very grateful to Tony Smee for counting the money, his efforts were much appreciated.

On behalf of the British Legion and all those who will benefit from the Appeal, I offer my thanks to everybody for their kind donation.

Mike Monks

The Snowflake Appeal:

An appeal to individuals, companies and communities to raise funds to help Home-Start support vulnerable children.

Concept of the appeal: Home-Start is asking people to raise money to support vulnerable children who are unique and fragile as snowflakes.

This ties in with Home-Start’s unique, tailor-made support for children, delivered with parents, in the family’s home.

Heidi Allen MP

If you would like to contact Heidi about an issue or book a surgery appointment email: heidi.allen.mp@parliament.uk
Tel: 01954 212707
The next surgery date is:
Saturday 10 December
10.30 - 12.30
Venue TBC

Snowflake Tea Parties – could you help raise funds for Home-Start by hosting a tea party with your family and friends from your office, playgroup, school, book club etc?

We will supply you with a “tea bag” fundraising pack with ideas for all you need to host an event - the pack includes invites for your use, a snowflake cutter and recipes for any cakes or biscuits you may want to make for your event.

If you want to host a tea party, please call our office on 01763 262262 or email admin@hsrsc.org.uk

The appeal runs from 1st November – 31st January each year.

“Please join me raising money for The Snowflake Appeal so Home-Start can keep supporting unique and fragile children. Home-Start is in there, making a difference each and every day. It is changing all our communities for the future. It prevents parents’ difficulties from becoming their children’s problems”.

Kirstie Allsopp, tv presenter, mum, stepmum, Home-Start ambassador

SPEEDWATCH AND SPEEDING IN WHADDON

The Speedwatch team have a new piece of equipment which has already proved to be more effective at detecting speeding drivers on Whaddon roads. With the increasing number of local villages being trained to use speedwatch we were at risk of the kit we have used for the last eight years being withdrawn to be shared more widely. Accordingly, the parish councils of Meldreth, Litlington, Steeple Morden and Whaddon agreed to jointly purchase a current technology speedwatch kit and this was delivered in September. It is much lighter, uses bright LED symbology and detects speeding vehicles at a greater distance than before, meaning that a vehicle’s speed is detected before the driver can see the display and slow down. This produces a more accurate picture.

The results are much as expected with too many drivers still ignoring speed limits as they reduce their commute time by a few seconds. Our first outing with the new kit recorded more than 20% of drivers speeding with the fastest at 56mph and half the speeding cars exceeding 40mph. If this sounds depressing the numbers are an improvement on the past but it proves there is still work to do. Possible additional measures to encourage drivers to slow down on our village roads are in the melting pot.

Speedwatch activities concentrate on Church Street and Meldreth Road as the layout of Bridge Street makes using the kit there difficult BUT not impossible. There have been a number of comments recently that cars are driving along Bridge Street too fast and placing residents, children and pets at risk. While the speed limit in Bridge Street is 30 mph, a much safer speed is closer to 20. The Parish Council recognised this some while ago by funding “20 is Plenty” signs. Please keep this in mind.

*It’s our village and our speed limit – please do your best to keep to it.* MM
After all the refurbishing work on the hall over the past few years, the last few months might seem externally quite quiet, but actually there have been a few changes.

Firstly, two very important individuals have stepped down from the Trust. Jenna Lewis has chaired first the Village Hall Committee, and then oversaw its transformation into the Village Hall and Recreation Ground Trust; she served as chairman all through the building work, and now needs to spend more time on other things. Wendy Evans has, regrettably, moved out of the village; she oversaw the daily running and booking for the hall, and, most important of all, was the dynamo that hunted out the various grants that permitted all the work to be done without adding any long-term financial burden on the village in the way of renovation loans etc. We thank them both for everything they did, and we would not have the facility we have now without them.

This has left the Trust without a chairman and vice-chairman, as well as leaving us presently two trustees short. Yours Truly has offered to be Acting Chairman until the next AGM, but we urgently need new trustees, so please do contact Karen Coningsby if you feel you can help in any way.

You will not have missed the fact that the hall car park has been completely resurfaced, again paid for mostly by grants obtained by Wendy. There are a couple of snagging issues with the surface that are presently being rectified. We will shortly be putting up a notice about using the car park for non-hall parking.

The bookings procedure for the hall is being overhauled with these changes of personnel and it is being shared between two Trustees for a few months. If you want to make a booking, do send an enquiry via the new email address whaddonvhrgt@gmail.com, and you will be informed of what to do. A new booking form is nearly ready for hirers to fill out, and it will also soon be possible to pay the hire charges by online banking.

The hall is much busier now than in the days before the refurbishment, and so if you are thinking about booking it, have a look at the online diary on www.whaddon.org to see if it’s free, and then don’t hesitate to drop an email to whaddonvhrgt@gmail.com as soon as you can.

Nigel Strudwick
November 2016

### Property Crime Prevention

Burglaries regularly happen across villages in South Cambs, usually in the day when properties appear to be empty, with cash and jewellery being the common things stolen. Have you considered how secure your property is? If not you may be interested to know that there is an online quiz designed to confirm how safe your property is. Once the quiz is completed it tells you how safe your home is.

The “bad-wolf test” takes just 2 minutes to complete and tells you how safe your home is from burglars. You get a score of bricks, twigs or straw.

Anyone who gets the STRAW rating is given an email contact address and encouraged to get in contact with Cambs Police so that they are given the opportunity to have an officer from South Cambs Police, come out and do a free full home security survey.

Try the quiz yourself to see how safe your home is.

http://tinyurl.com/bad-wolf-test

Another option to consider is, The Bobby Scheme. The Cambridgeshire Bobby Scheme is a local charity which provides a service to older or vulnerable people by improving home security to reduce crime and the fear of crime.

The Bobby Scheme works with a number of partner agencies, including the Police, Fire Service, Local Authorities, Age UK and other charities.

The trained staff come out and fit a range of security devices to help people feel safe in their own homes. Devices such as window locks, door chains, personal attack alarms, window and door alarms etc. They also provide other security advice and reassurance.

On average it costs the Bobby Scheme £130 to work at each home, so they do ask people to consider making a donation so that they can continue to provide such a great service. This is how the scheme works:-

- If you have been a victim of crime and are over 60, you can receive a free visit.
- If you are 65 and over or disabled and would like a visit from the Bobby Scheme to reduce your chance of becoming a victim, they ask for a contribution of £30.00 towards their costs.
- Key safes supplied and fitted from £50.00 and £80.00
- Other specialist products are available to be purchased.

The number to call if you would like a visit from the Bobby Scheme is 01480 413311 or 07866 602100. They also have a website which is www.thebobbyscheme.org
Remember – dial 999 to report a crime actually happening or when lives are at risk and for a non-emergency matter call 101. If you report an incident to the police please let your neighbourhood watch coordinator know.

The previous quarter’s crime summary was not a happy one. We had an unpleasant and repeat burglary in the village and builder’s vans were broken into for the second time. This last quarter had been a better one for Whaddon right up to drafting this News piece. Crime in the village was limited to the theft of pins/posts from the cricket square. Then as I finished writing I was advised that a shed had been broken into in Bridge Street followed by a further one close by. This is unfortunate as overall we seem to fare better than most of our neighbour villages. Certainly while not crime free, South Cambridgeshire remains one of the safest places to live in England. What is true is that crime in local rural villages might be described as low-level, albeit not to the victim. Daily crime reports issued by the police show that most local villages suffer the occasional burglary, damage to parked cars at night, outbuildings and sheds being broken into and casual vandalism. In truth, these are difficult for the police to counter, particularly as their numbers and budgets have been cut, and the casual nature of many of the crimes provides little substantive evidence on which to work.

Hare coursing is an unpleasant activity of which South Cambridgeshire has more than its fair share. It is particularly active after harvest as we have found in this past quarter. Cambridgeshire police have formed a dedicated team to counter the problem and you will have noticed as you enter our county from Royston on the A1198 that the police have placed a notice stating that they will prosecute all hare coursing. If you see this going on the police want you to call 999 and if after the event still give the police the details but on 101.

Finally, long nights are now with us and we know that darkness (of which we have a great deal in Whaddon) can be the criminal’s friend. External lighting, possibly motion sensitive, can be the simplest of disincentives and worth a little of your time to install.

If you are not receiving Whaddon e-mails and would like to be included please let me know on: whaddonnhw@gmail.com

Regard,
Roger van Poortvliet

Table Tennis

Tuesday 8.00 - 9.00pm Table Tennis
Wednesday 10.30 - 12.00 Coffee morning (Alt wks - see diary dates)
7.30 - 9.30pm Garden club (3rd Wed each month)
Thursday 6.30 - 7.30pm Pilates
7.30 - 8.30pm Pilates
Friday 6.30 - 8.00pm Dog training
Saturday 8.30 - 11.00am Dog training
Sunday 8.30 - 11.00am Dog training

TABLE TENNIS CLUB

After the refurbished hall was opened a couple of years back, a small informal table tennis club was set up in the village, with tables kindly provided by a grant from the Parish Council. The club has flourished since then, but we are always looking for new players.

We meet normally in the Village Hall at 20:00 on Tuesdays for one hour. Each player is charged £1 for the session.

We very much hope to see you at the hall.

**Bassingbourn Barracks**  
After years of awaiting a decision, the PC was delighted to hear that the MoD had decided to reopen Bassingbourn Barracks from 2019. Up to four units will be based there but as yet, no actual numbers of soldiers, support team workers and their families will be moving to the base. It is hoped that access will be granted to the community facilities that exist at the base, such as the ski slope.

**Eternit Housing proposal scheme**  
The outline planning application for 150 homes on the Eternit site that was submitted to South Cambs. Planners at the end of July, was discussed at an Extra Parish Council meeting on 8th September. After a lengthy discussion, the Parish Council unanimously voted to oppose the application. It is likely that the application will be considered at the January South Cambs. Planning Meeting. The PC considered items that could be put forward for funding by grant money from the development. This includes further speed control measures for the village, as well as an extension of the footpath beyond Whaddon to join with the proposed foot and cycle path from there to Meldreth Station.

**Defibrillator for Whaddon**  
For a while the PC has been considering the purchase of a defibrillator for the community use and had a presentation from the Community Heartbeat Trust at the September meeting. They are a national charity based at Haverhill, who have supplied over 2,500 defibrillators to communities in the UK. They said that deaths from cardiac arrest affect all age groups and that if a defibrillator can be deployed within 15 minutes of cardiac arrest, the chances of survival increase by 50-80%. Good community defibrillators should be accessible to anybody and easy to use by everyone without the need for training. They will not hurt anyone if used incorrectly. Community defibrillators are registered with the ambulance service. When someone calls 999 they will be advised that there is a defibrillator in the village and guided on usage. Following discussion and costings the PC voted at the November meeting to purchase a defibrillator that will be positioned in a cabinet outside the Village Hall.

**Speed control signs**  
At the November meeting, the PC agreed to support a grant application to the Local Highways Initiative for a moveable vehicle activated speed sign that will be positioned at four different points around the village. It is considered that they are effective in reminding people as to how fast they are actually driving which should reduce the speed of traffic in the village. The PC would match fund 50/50 any grant awarded.

**Meldreth Road telephone kiosk**  
The PC had been advised by BT that it wishes to remove the pay phone in Meldreth Road because it had been used for only two calls in the previous twelve months. The PC would rather not have this done but were realistic about keeping the service. The PC agreed to purchase the box from BT for £1 if they do remove the telephone.

**Broadband connection for the Village Hall**  
The PC have agreed to fund the £50 connection fee to enable Broadband to be connected to the Village Hall. The trust will then pay for the ongoing rental.

All minutes of meetings are on the village website www.whaddon.org and on the notice board at the Village Hall in Church Street.

The next Parish Council meeting will be on Monday 16th January 2017 at 8.00 pm in the Village Hall.

---

**Citizens Advice: Local Outreach Centres**

**There are drop-in advice sessions in local villages - no need to book.**

**Bassingbourn**  
Every second Thursday of the month between 2.00 - 3.30pm at the Bassingbourn Book Café in The Limes Community Centre.

**Melbourn**  
Every first and third Thursday between 9.30am - 12.00pm at the Melbourn Hub
