Volunteering for Cambridgeshire Fire and Rescue Service
We’re looking for volunteers in your area to join our successful Community Champion scheme. Community Champions encourage local residents to carry out fire safety checks in their homes, visit community groups and educate about fire safety and escape plans. Anyone interested in becoming a Community Champion should call Katie Dean on 01480 587140 / 07736 132870 or email katie.dean@groundwork.org.uk

Keeping vulnerable people in your community safe and well
We offer free home fire safety checks to those who are potentially more vulnerable to incidents, however, we need your help to identify these people.
If you know someone who you think might benefit from a free visit from fire service staff, call 0800 917 99 94. You can also contact us through our website, www.cambsfire.gov.uk where you find information about keeping vulnerable people safe from fire.

Think twice before jumping into water this summer
Would you jump into a river, lake or any other open waterway on a hot sunny day? Do you know what hazards lie beneath the water? Or how cold the water is?
Your fire service is delivering water safety education to every school in Cambridgeshire as part of its #RememberRony, launched following the tragic death of a Cambridgeshire teenager.
But there is only so much we can do and we’re calling on parents, carers and peers to talk each other about water safety.
Some things to remember:
- You do not know what hazards lie beneath the surface of rivers, lakes, canals, etc.
- Strong undercurrents can be tough to conquer, even if you know how to swim
- Cambridgeshire’s waterways are cold – even on the hottest days of the year – and this has a dramatic effect on your body’s ability to swim and get yourself out of trouble, should you get stuck.
If someone is in trouble, call 999 immediately. Do not hesitate to call the emergency services and give clear details of your location.
And don’t forget to test your smoke alarm – and that of elderly relatives – by pressing the ‘test’ button on the device. To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

With the help of the Parish Council we now have enough money to complete the entire car park at the village hall. The work should be carried out towards the end of May and will take approximately two to three weeks to complete. We are anticipating that once the work has been completed that it will alleviate the traffic problems caused by parking along the road. The village hall itself is still being used quite extensively with the twice monthly coffee mornings being well attended. All users who live in the village receive a discount when booking the village hall for parties etc., The referendum will take place in June with voting organised from the village hall.

Wendy

Fundraising sub group for the Village Hall
A group of Whaddon residents have recently got together to discuss ways of raising funds for the Village Hall. We now have a fabulous village hall and feel that we should fundraise for specific items. It was suggested some more benches, picnic tables and a couple of patio heaters. Also a boule or pétanque area which would enhance community spirit.
We are hoping to have an event in September which will kick us off with some funds. The annual Quiz night will form part of our annual fundraising and we will aim to have some events planned for 2017. If you would like to be involved in this group, either helping before, during or after an event please feel free to contact us. Likewise if you have a great idea to share, please let us know.
We welcome all.
Deborah Townsend C208038

SANDY FISHER
1947 – 2016
As many of you may know, Sandy Fisher, a long time resident of Whaddon, died recently. Sandy suffered a brain haemorrhage whilst on holiday in Tenerife.
She, and her late husband John, moved to Bridge Street in 1980 and both their children attended local schools. For many years Sandy assisted with the organisation of the children’s Christmas party and the local Poppy Appeal.
A private burial and celebration service has taken place but any donations, in her memory, for the Brain Research Trust may be sent to Newlings of Royston, Fish Hill, Royston, Herts SG8 9LB

The village and Cardiff Place have been crime free over the past quarter although one of the commercial businesses on the A1198 within Whaddon parish was broken into. I get crime reports every day from the police and most local villages are not as lucky as Whaddon. Lower level crime in local villages is a regular feature of these reports: breaking into parked cars at night particularly when valuable items can be seen, accessing and damaging outbuildings and sheds and casual vandalism all feature in these reports. If there is a lesson to be learned it is that securing your property and being seen to do so remain the greatest disincentive to the casual criminal. All of that said, do keep in mind that South Cambridgeshire remains one of the safest places to live in England.

Something different - the police have offered residents an online test that allows you to check how safe and secure your home is from potential burglars. The test is called: “The Big Bad Wolf” and can be accessed at: http://tinyurl.com/bad-wolf-test using code number 7269. Try it or ask the kids to have a go. If nothing else it will remind you of the many options on offer to improve security in and around the house.

Many villagers will remember some years ago that the theft of lead from St Mary’s church and other local churches was all too common a problem. When this occurs the lead is gone and there is often a dreadful level of collateral damage. This type of theft almost disappeared as the price of lead collapsed during the 2008 financial crisis. Sadly, the problem has returned and a number of local churches have suffered lead theft. It is thought that the current spate is probably the work of organized criminal gangs. The police ask that if you see “workmen” near the church outside normal working hours and it strikes you as unusual then call them on 101 and if you see a theft in progress than call 999 immediately.

Mike Monks

Remember – dial 999 to report a crime actually happening or when lives are at risk and for a non-emergency matter call 101. If you report an incident to the police please let your neighbourhood watch coordinator know.
### Whaddon Cricket Club Fixtures

### Oven Clean

Oven Clean will transform your oven and put a sparkle back into your kitchen:

- Friendly, local, professional and reliable
- Complete eco friendly cleaning system
- No fumes, no mess, no bother
- Remove grease, fast and burnt on carbon
  - Ovens • Filters • Hobs
  - Grills • Extractors

Call John on 07513 439604
www.ovenclean.com

### Citizens Advice:

**Bassingbourn Outreach**

There is a monthly drop-in advice session at the Bassingbourn Book Café at The Limes Community Centre in Bassingbourn. We will be running the sessions on the second Thursday of the month between 2.00 – 3.30 pm.
Eternit Housing proposal scheme
The agent for the Marley Eternit proposals attended our March meeting and outlined the possible options for the site. It had been decided to form a Marley Eternit Working Group (MEWG) and Whaddon was invited to be involved. This will respond to any potential planning application. Representatives for Barrington and Melbourn villages, who had dealt with large planning applications, advised that the two key things to establish were what residents’ views were and what the village(s) needed to alleviate the impact of the development if planning permission were granted (S106 monies). Whaddon PC must remain independent of MEWG to avoid predetermination issues and we have agreed that Cllr French will attend MEWG meetings. As such, Cllr French would take no part in any vote on a formal Planning Application should one be received. There will be a second exhibition and a joint meeting with Meldreth PC and MEWG in the coming weeks. Details to follow soon.

Local Government Boundary Commission reviews of Cambridgeshire
The next round of the public consultation into the proposal for the County Council electoral ward boundaries has just begun. This has grouped Whaddon with Bassingbourn, Meldreth and Melbourn and closes on 20th June. If you want to comment or view the proposals, the website address is: https://consultation.lgbce.org.uk/node/4143

The public consultation into the ward boundaries for South Cambs District Council has yet to begin.

Speedwatch
Mike Monks, Speedwatch Co-ordinator is investigating whether the PC should consider the purchase of a new Speedwatch sensor jointly with one or two of our neighbouring village. The existing kit is now obsolescent. Mike is also looking at the possibility of purchasing Moveable Vehicle Activated Scheme (MVAS) which would display motorists’ speeds and encourage compliance with the 30mph speed limit. This would operate at all times and could be moved to different village locations. Costs were in the region of £3,000-£3,500 plus potential additional costs to purchase poles to attach the equipment to but it was hoped that some grant funding might be available towards this purchase.

Village Handyperson
Two people have applied for the job and propose to work as a job share. The PC is keen to explore this option and we are hopeful that they will soon be able to start work.

Village hall car park extension
The Village Hall Trust were £8,500 short of the funds required to build an extended car park for the Recreation Ground which would provide 20 additional car parking spaces. The PC have donated £8,500 to the Trust from the general reserve to enable the Trust to complete fully the extension. The PC felt that this would be a big step towards alleviating the number of cars parked alongside the recreation ground in Church Street at busy times as well as helping to stop cars from parking on the grass.

Your councillors
At the May meeting Cllr Lee Ginger was re-elected Chair and Cllr Kate French re-elected Vice Chair. Cllrs Will Elbourn, Nigel Strudwick, Randall Scott and Tony Milton were re-elected to the PC without a contest at the May election. Cllrs will co-opt to the vacant seat as no other nominations were received in May.

All minutes of meetings are on the village website www.whaddon.org and on the notice board at the Village Hall in Church Street.

The next Parish Council meeting will be on Monday 13th June 2016 at 8.00 pm in the Village Hall.

This is an open meeting and everyone is welcome to attend.

Compiled by Lee Ginger

Heidi Allen MP
If you would like to contact Heidi about an issue or book a surgery appointment email: heidi.allen.mp@parliament.uk @heidiallen75
Tel: 01954 212707
