Building

1. **Car Park** – Mr Cobbs will have to come back and fix the places where they have filling in the redundant drains and they have sunk. Hopefully this will be done this week. Regarding the policies these need sending to the solicitors Limbach & Banham. Jenna asked Amy Walker as a Parish Councillor if she would do this. Amanda Silvester has offered to fine out the wording from Acre regarding parking at your own risk in Village Hall Car Parks as we need to get a sign put up.

Cricket Nets

New netting very durable but the poles are not very good the

March 2017. There is also some contingency should there be a need for unexpected expenditure. We have also budgeted £250 for the Christmas Party this year. Can you let me know if you're happy with this? The trustees would be happy with this.

After that, we have no intentions of further fund raising and we will hand over responsibility for playground maintenance and any remaining funding to either the Trust or another fundraising group if one exists by then. As mentioned, we are happy to approach the 'newer' residents of the village to encourage them to consider taking this on. The Trust has agreed to ring fence any funds left over.

KC

Karen Coningsby will go back to Anne and Neil with the responses. Karen will email around to the trust the ROSPA report and quote. Karen will email Neil to ask for the Monthly reports.

Payment for John and Keith to be discussed and the November meeting this is an Agenda item.

Happy to adopt Risk assessment and Volunteer policy. Nigel Strudwick to put on the Web.

David Evans will install the key box on the wall outside the Village Hall.

Terry Allison does the alarm and lights and maybe he should email Karen Coningsby or Nigel Strudwick when he has done this so it can be recorded in the minutes. There is issues with the hedging near the playground and Mark the grass cutter keeps mentioning this to Wendy Evans and in the minutes of the last meeting it was agreed between Richard Green and Mark that they could be cut at a fee which Richard would pay for.
